

**AMENDMENTS TO THE CLAIMS**

The following listing of claims will replace all prior versions, and listing of claims in the application:

**LISTING OF CLAIMS:**

Claims 1-5 (Canceled)

Claim 6 (Previously presented) A single use breakaway support assembly for securing overhead lines to a supporting structure comprising:

a support connector affixed to said supporting structure for securing the assembly to said supporting structure, said support connector having a solid portion and a hollowed portion;

a stabilizing assembly, said assembly having an overhead line connection point; and

a stranded connection member mounted at one end in said hollowed section of said support connector and at the other end in said stabilizing assembly;

whereby said connection member will yield when force is applied to said overhead line connection point.
